

Produzione italiana: qualità oltre le aspettative
Italian manufacturing: quality beyond expectations

COS.PEL®
BODY PARTS

COS.PEL®, from a family business to an industrial group, represents more than 25 years of Italian tradition in the design-production and marketing of truck body spare parts suitable to all European brands with a constant engagement to assure the market the availability of a complete range of high quality products perfectly interchangeable with the original ones.

The Company has always been oriented to continuous investments in machineries and moulds and to an internal production implementing an integrated process of product development, optimizing its capability of quality and service management. By using recyclable raw materials and alternative energy sources **COS.PEL®** confirms its aptitude to "environment respectful" company.

The presence in the market is guaranteed by a domestic and international distribution network leaded by highly qualified distributors/partners.

- **A plant of 20.000 sqm on a total area of 55.000 sqm**
- **More than 5.000 available items**
- **24h order processing**
- **Distributed in Italy and in more than 50 countries all over the world**

COS.PEL®, da business familiare a gruppo industriale, rappresenta più di 25 anni di tradizione italiana nella progettazione, produzione e marketing di parti di ricambio di carrozzeria adattabili per i veicoli industriali di tutte le marche europee con un impegno costante ad assicurare al mercato la disponibilità di una gamma completa di prodotti di alta qualità perfettamente intercambiabili con i prodotti originali.

La società è da sempre orientata a continui investimenti in macchinari e stampi ed alla produzione interna che le permette un processo integrato nello sviluppo del prodotto, ottimizzando la propria capacità di gestione della qualità e del servizio. L'utilizzo di materie prime riciclabili e fonti di energia alternativa fanno di **COS.PEL®** un'azienda attenta all'ambiente.

La presenza sul mercato è assicurata da una rete distributiva nazionale ed internazionale guidata da distributori/partner altamente qualificati.

- **Stabilimento di 20.000 mq coperti su una superficie totale disponibile di 55.000 mq**
- **Oltre 5.000 articoli disponibili**
- **Gestione ordini entro 24h**
- **Distribuzione in Italia ed in più di 50 paesi nel mondo**

Qualità oltre le aspettative

Avendo posto la qualità del prodotto e del servizio al centro della propria filosofia aziendale, in linea con i propri obiettivi di continuo miglioramento della qualità del prodotto finito e del servizio offerto alla propria clientela, Cos.Pel ha conseguito le seguenti certificazioni relative al processo produttivo, alla qualità del prodotto finito e del servizio reso:

Quality beyond expectation

Being the product and the service at the heart of its business philosophy, in line with its goals of continuous improvement of the quality of the finished product and the service offered to its customers, Cos.Pel achieved the following certification related to the manufacturing process, the quality of the finished product and the service provided:

QUALITÀ
OLTRE LE
ASPETTATIVE

QUALITY
BEYOND
EXPECTATIONS

Le marche utilizzate in questo catalogo, così come i riferimenti originali inclusi, servono unicamente per aiutare ad identificare l'articolo. Tutti i componenti citati nel nostro catalogo e listino non sono originali, ma perfettamente intercambiabili.

Gli stessi vengono impiegati ed utilizzati solo per veicoli in circolazione e solo dopo autorizzazione da parte del proprietario del veicolo in riparazione. La legislazione applicabile alla vendita dei nostri componenti è diversa nei vari Paesi. Eventuali infrazioni delle legislazioni locali sono da attribuire al rivenditore nel Paese finale di distribuzione.

The brands adopted in this catalogue, as well as the OE codes included, only attend to help the identification of the body part.

All the items mentioned in our catalogue and price list are not original parts but perfectly interchangeable with them. These parts are used only on vehicles in circulation and exclusively under authorization of the owner of the vehicle in repair. Governing legislation for the sale of our products differs in each country. Infringements, if any, of local legislation are responsibility of the retailer in the country of final distribution.
